

Divisible mini/micro duct seals 7mm

Easy to install Gas and Watertight seal for cables in mini / micro ducts.

The miniduct seal is easy to install on new installations and existing installations. Thanks to the clever design you no longer need to slide a seal all the way along the fibre to seal it against Gas & Water.

Due to the compact design, our seals can be installed in all situations, even in locations with difficult access.

Other sizes can be developed upon request.

Features

- Gas- and water tight up to 0,5 bar
- Suitable for retro fitting
- Easy installation
- No need to slide the seal over the glass fibre for installation
- Slim design
- Other versions available upon request
